

# “Snorkel Safari” Course

*Explore the world beneath the sea and be captivated by the extraordinary sensations and imagery that only snorkelling can provide...*

Snorkeling is quickly becoming one of the world’s most popular water sports and is an exciting activity anyone of any age can enjoy requiring minimum equipment. Snorkeling is a unique activity because physical strength and build really don’t matter!

**DAY 1:** Introduction to Snorkeling Equipment followed by essential Snorkeling Skills on the white sandy beaches of stunning Jervis Bay.

**DAY 2** Boat Diving Expedition: Experience the magnificent marine life of Jervis Bay from a comfortable boat exploring the sheltered waters of Bowen Island with the bay.

**Jervis Bay** is situated approx 3hrs drive South of Sydney and is by far the most popular diving region on the NSW Coast being visited by thousands of divers each year. With Point Perpendicular to the North and Bowen Island to the South, Jervis Bay stretches out from the mainland some 10km, intercepting blue ocean currents drawing placid fish and an abundance of fascinating marine life.

The Bay is surrounded by beautiful white sandy beaches which are in contrast to the rugged, weather beaten sandstone cliffs that form the stunning seaward coastline. Towering ramparts create impressive seawalls and at the base of these cliffs lies a submerged underwater terrain with huge boulders, caves, tunnels, arches and drop-offs

## **Snorkel Safari Course \$360.00 (\$310.00 Sydney Uni Sport & Fitness Members)**

Snorkel Safari includes transport, 2 night’s share accommodation with meals, boat dives, Snorkel Dive Instruction, Snorkel Dive Manual, Dive Log Book, Snorkel Certification Card and Snorkel equipment hire.
