

SUB AQUATICS
Scuba Diving Australia

IT'S TIME TO GO DIVING

Congratulations... Considering all there is to learn, and all the skills to master, completing the Open Water Scuba Course is an accomplishment of which you should be proud! ... And welcome, to an amazing and exciting underwater world.

The next few weeks are crucial in ensuring that you retain the skills you have learnt and a few dives during this period will help consolidate these skills for the future.

Learn more and gain experience ... Book a place and escape Sydney for a fun day exploring the fabulous South Coast, just two hours south experience two Instructor-led dives in clear water, amongst huge schools of fish, enormous bull rays, giant cuttlefish and many other aquatic surprises.

Bring your snorkeling gear, towel, sun block and a sense of adventure! Sub Aquatics will supply the rest including two guided dives, transport from the Dive Centre, refreshments and SCUBA equipment... all for only \$100.00 or (\$80.00 Sydney Uni Sport Members) that's GREAT VALUE!

This is a terrific opportunity to consolidate your underwater skills, build confidence and gain experience while under the supervision of your SCUBA Instructors. Consider your Adventure Dive Day as BONUS training, an extension of your Open Water Course.

Share your experiences with family and friends ... Because of the amazing life and colour we will take some photographs of you underwater so you can share your adventure with family and friends.

Who Would You Like to Go Diving With?

Scuba diving is a buddy diving sport and in order to enjoy it to the fullest extent, it should be shared with others. So why not bring a friend, the same deal is extended to any certified diver friend of yours.

No matter what inspires you to dive, get ready! ... For a journey full of fun and adventure
