Ready? Let's go diving...

**All you need is a swim suit, sense
of fun & adventure, and a few
basics...**

Swimming Skills; you don't need to be a super swimmer but you will need to display a comfortable ability in the water

Fitness: Prior to starting your scuba course you will need to sit for a Recreational Sports Diver Medical. Medicals are available from

The Sydney University Health Service
Wentworth Building level 3.

Telephone 9351 3484 for an appointment.

Equipment; for your own health, comfort and safety we require all students to use their own mask, snorkel, fins and boots. Our trained instructors will be happy to advise you with your equipment selection as well as offer substantial discounts for these and any other items purchased at the Sub Aquatics Dive Centre at the start of the course.

**Get Ready for a lifetime of
fun & excitement!**

The SUB AQUATICS' Sydney University Dive Program also includes regular diving activities. So, once you've completed your course, you'll have many opportunities to continue diving, practice your new skills and keep in touch with a whole new group of friends!

All SUB AQUATICS "Scuba Graduates" are welcome to join our weekly *free* Shore Dive Activities. You're also invited to join our famous "Mini Escape Weekends" north to Port Stephens or south to Jervis Bay. We even arrange Budget excursions to the Great Barrier Reef and South Pacific Islands.
